

# Peer Group Opportunities in Worcestershire

A peer group is a great opportunity for you to talk to other direct payment and individual payment users, have a catch up on your situation and discuss any matters you are concerned about.

It is also a good place to arrange social events, invite guest speakers or organise training sessions within a group environment.

If you would like to be involved with a new peer group in Worcestershire or are interested in helping to set up and run a new peer group with the support of Penderels Trust please contact your
